The Honorable Kay Granger
Ranking Member
Committee of Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for the City of Ridgeland Water and Wastewater Infrastructure Improvements project through the State and Tribal Assistance Grants (STAG) account within the Environmental Protection Agency in fiscal year 2023.

The entity to receive funding for this project is the City of Ridgeland, which is located at 100 W. School Street, Ridgeland, Mississippi, 39157.

The funding would be used to construct a new well and new storage tank to address water supply shortage, storage capacity, and the presence of disinfection by-products in the system for the City. The project would be a valuable use of taxpayer funds because these investments would increase water quality, increase health and safety of local residents, and restore the much-needed supply to the area.

I certify that neither I nor my immediate family has any financial interest in this project.

Thank you for your consideration of this request. Please let me know if I can be of further assistance.

Sincerely,

Michael Guest
Member of Congress
