The Honorable Kay Granger  
Ranking Member  
Committee of Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for the Bulldog Way Extended Improvements project through the Highway Infrastructure Project account within the U.S. Department of Transportation in fiscal year 2023.

The entity to receive funding for this project is Mississippi State University (MSU), which is located at 3501 Lee Hall, P.O. Box BQ, Mississippi State, Mississippi, 39762.

The funding would be used to extend Bulldog Way southerly across a soon-to-be intersection with Blackjack Road, across Oktoc Road and tying to Hail State Boulevard. The project would be a valuable use of taxpayer funds because it would improve traffic flow and connectivity, increase pedestrian and bike safety into the MSU campus, increase mobility, and support opportunities for economic development.

I certify that neither I nor my immediate family has any financial interest in this project.

Thank you for your consideration of this request. Please let me know if I can be of further assistance.

Sincerely,

Michael Guest  
Member of Congress
