The Honorable Kay Granger
Ranking Member
Committee of Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for the Reunion Parkway Crossing project through the Highway Infrastructure Project account within the U.S. Department of Transportation in fiscal year 2023.

The entity to receive funding for this project is the Madison County Board of Supervisors, which is located at 125 West North Street, Canton, Mississippi, 39046.

The funding would be used to help complete the Reunion Parkway Crossing project, an effort to modernize and expand the capacity of the local arterial transportation system between the City of Madison and the City of Gluckstadt. The project would be a valuable use of taxpayer funds because the project would result in significant safety enhancements for the motoring public through reductions in congestion on local arterials and on I-55, resulting in improved fuel efficiency, fewer traffic accidents, and reduced adverse air quality impacts.

I certify that neither I nor my immediate family has any financial interest in this project.

Thank you for your consideration of this request. Please let me know if I can be of further assistance.

Sincerely,

Michael Guest
Member of Congress
