The Honorable Kay Granger
Ranking Member
Committee of Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for the Meadville Police Department Patrol Vehicle project through the Community Facilities Grants account within the United States Department of Agriculture in fiscal year 2023.

The entity to receive funding for this project is the Town of Meadville, which is located at 75 Main Street E., Meadville, Mississippi, 39653.

The funding would be used to purchase a patrol vehicle for the Meadville Police Department outfitted with safety features for law enforcement. The project would be a valuable use of taxpayer funds, as Meadville's police force is a small-town police department that lacks funding to obtain needed patrol vehicles, causing police officers to respond to emergencies in their personal vehicles or rely on the County Sheriff's Deputy for assistance.

I certify that neither I nor my immediate family has any financial interest in this project.

Thank you for your consideration of this request. Please let me know if I can be of further assistance.

Sincerely,

Michael Guest
Member of Congress
