The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

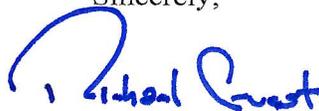

I am requesting funding for the City of Flowood for the Lakeland Drive Water Main Replacement project in Fiscal Year 2027. The entity to receive funding for this project is the City of Flowood located at 2101 Airport Road, Flowood, Mississippi, 39232. This funding would be used for a critical drinking water infrastructure project by replacing a deteriorating and failing 8" cement water main pipeline along Lakeland Drive that provides drinking water to residences, hospitals, schools, and businesses in the City of Flowood. This project is an appropriate use of taxpayer dollars because it prioritizes the wellbeing of residents, patients, students, employees, and visitors of the City of Flowood, ensures a strong infrastructure gateway into Rankin County, and will provide safe and clean drinking water.

This project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project and neither does anyone in my immediate family.

Thank you for your consideration of this request. Please let me know if I can be of further assistance.

Sincerely,

Michael Guest
Member of Congress
