The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

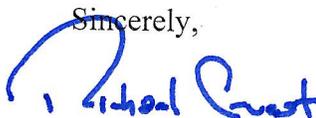

I am requesting funding for City of Philadelphia, Mississippi, Water System Maintenance and Improvement project for Fiscal Year 2027. The entity to receive funding for this project is the City of Philadelphia, Mississippi, located at 525 Main Street, Philadelphia, Mississippi, 39350. This funding would be used to replace the aerator, clarifier, implement related piping, and improve chemical feed at the Philadelphia iron removal treatment plant as well as provide funding for a new water well and necessary piping. This project is an appropriate use of taxpayer dollars because it is essential to protect public health, increase treatment capacity, and improve operational reliability of the drinking water system.

This project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project and neither does anyone in my immediate family.

Thank you for your consideration of this request. Please let me know if I can be of further assistance.

Sincerely,

Michael Guest  
Member of Congress
