The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Town of Flora, Mississippi, for the Sewer Infrastructure Upgrade project for Fiscal Year 2027. The entity to receive funding for this project is the Town of Flora located at 168 Carter Street, Flora, Mississippi, 39071. This funding would replace outdated pipes, modernize treatment technologies, and implement advanced monitoring systems. This project is an appropriate use of taxpayer funds because it would ensure a reliable and safe wastewater system that protects community health and the environment for years to come.

This project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project and neither does anyone in my immediate family.

Thank you for your consideration of this request. Please let me know if I can be of further assistance.

Sincerely,

Michael Guest  
Member of Congress
