The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Town of Taylorsville for Water System Improvements in Fiscal Year 2027. The entity to receive funding for this project is the Town of Taylorsville located at 202 Eureka Street, Taylorsville, Mississippi, 39168. This funding would be used to install new water valves and modernize key components to improve operational control, reduce widespread service interruptions, and enhance the Town of Taylorsville's ability to respond quickly to repairs and emergencies. These improvements are essential for maintaining consistent water quality and pressure for residents and businesses. This project is an appropriate use of taxpayer funds because it modernizes aging water systems to reduce costly emergency repairs, improve service reliability, and lower long-term operational expenses.

This project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Thank you for your consideration of this request. Please let me know if I can be of further assistance.

Sincerely,

Michael Guest
Member of Congress
