The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

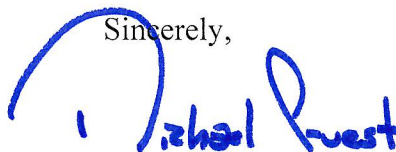

I am requesting funding for the Madison Avenue Enhancement project in Madison, Mississippi, in Fiscal Year 2025. The entity to receive funding for this project is the City of Madison located at 1004 Madison Avenue, Madison, Mississippi, 39110. The funding would provide for improvements to extend from the Crawford Farms Road Intersection to the Railroad. These improvements would add a traffic lane to the route and support residents and existing businesses with better infrastructure. This project is an appropriate use of taxpayer funds because it would widen the road for increased traffic flow and will bolster Federal efforts to promote more comprehensive transportation options.

The project has a Federal nexus because the funding provided is for purposes authorized under 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Thank you for your consideration of this request. Please let me know if I can be of further assistance.

Sincerely,

Michael Guest
Member of Congress
