The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

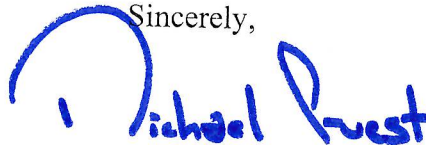

I am requesting funding for the Bozeman-Reunion Interconnectivity System project in Madison County for Fiscal Year 2025. The entity to receive funding for this project is the Madison County, Mississippi, located at 125 West North Street, Canton, Mississippi, 39046. The funding would be used for the construction of Bozeman Road, which is a primary and critical element of the Bozeman-Reunion Crossing Interconnectivity System. Bozeman Road runs north-south from Mississippi Highway 463 to Gluckstadt Road. The scope of the work would include widening the existing road to a four-lane boulevard section from MS 463 to Gluckstadt Road with a 10-foot Multi-Use Trail from MS 463 to Gluckstadt Road. The road improvements would result in significant safety enhancements for the motoring public through reductions in congestion on local arterials and on I-55, resulting in fewer traffic accidents. This project is an appropriate use of taxpayer funds because the project would widen the road for increased traffic flow and interconnectivity, thereby bettering public safety and reducing congestion on I-55.

The project has a Federal nexus because the funding provided is for purposes authorized under 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Thank you for your consideration of this request. Please let me know if I can be of further assistance.

Sincerely,

Michael Guest  
Member of Congress
