The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Intersection and Road Improvement project in Marion, Mississippi, in Fiscal Year 2025. The entity to receive funding for this project is the Town of Marion located at 6021 Dale Drive, P.O. Box 310, Marion, Mississippi, 39342. The funding would provide for much-needed improvements to an all-way stop at the intersection of Dale Drive and Lindley Road, currently overwhelmed with traffic volume, and add turn lanes to Dale Drive both north and south of the intersection and to NE Industrial Park Drive east of the intersection. This project is an appropriate use of taxpayer funds because the project would improve vehicular volume signal warrants, as described by the Manual on Uniform Traffic Control Devices (MUTCD), and crash experience at the intersection; and it would allow the traveling public to reach their destinations both safely and efficiently.

The project has a Federal nexus because the funding provided is for purposes authorized under 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Thank you for your consideration of this request. Please let me know if I can be of further assistance.

Sincerely,

Michael Guest  
Member of Congress
