The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the City of Brandon, Mississippi, Grants Ferry Parkway project. The entity to receive funding for this project is the City of Brandon, Mississippi, located at 1000 Municipal Drive, Brandon, Mississippi, 39042. The funding would widen a recently-constructed two-lane portion of Grants Ferry Road from Mississippi Highway 471 to Trickhambridge Road in Brandon. This segment connects two major roadways that have high traffic volume that is estimated to increase to 10,000 vehicles per day once the project is complete. The project is a valuable use of taxpayer funds because growth in this area is continuing at a rapid pace; and this project would assist in providing for the transportation needs associated with this growth and reducing travel times not only for citizens along and near this corridor, but other citizens around and within the County and surrounding communities.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Thank you for your consideration of this request. Please let me know if I can be of further assistance.

Sincerely,

Michael Guest  
Member of Congress
