Chairwoman
Committee on Appropriations
U.S. House of Representatives

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the City of Meridian, Mississippi, Environmental Infrastructure project in Fiscal Year 2024. The entity to receive funding for this project is the City of Meridian, Mississippi, located at 601 23rd Avenue, Meridian, Mississippi, 39302-1430. The funding would be used to update the City's wastewater collection and transmission infrastructure. The project is a valuable use of taxpayer funds because these funds would help improve the City's ongoing wastewater collection and transmission system challenges that have been identified by the Federal government and that the City is actively working to address.

The project has a Federal nexus because the funding provided is for purposes authorized section 8375 (a) (352) of PL 117-263 (Water Resources Development Act of 2022).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Thank you for your consideration of this request. Please let me know if I can be of further assistance.

Sincerely,

Michael Guest
