The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Louisville, Mississippi, South Industrial Road Project in Fiscal Year 2024. The entity to receive funding for this project is the City of Louisville, Mississippi, located at P.O. Box 510, Louisville, Mississippi, 39339. This funding would allow the city to build an industrial road that would provide infrastructure needed to support two of the largest existing industries in the region. The project would help alleviate the current route located on a residential road from the heavy industrial truck traffic.

The project is a valuable use of taxpayer funds because it would enable continued economic growth in the region and provide a safer industrial transport route.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Thank you for your consideration of this request. Please let me know if I can be of further assistance.

Sincerely,

Michael Guest
Member of Congress
