The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

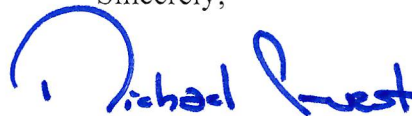

I am requesting funding for the Seminary, Mississippi, West Sewer Expansion Project in Fiscal Year 2024. The entity to receive funding for this project is the Town of Seminary, Mississippi, located at P.O. Box 295, Seminary, Mississippi, 39479. This funding would provide wastewater disposal and treatment to the western area of the community that is experiencing economic growth along U.S. Highway 49. The proposed project area does not currently have municipal sewer services and the soils are not conducive for septic purposes. As a small community with a small annual budget, the Town of Seminary would greatly benefit from this funding. The project is a valuable use of taxpayer funds because it would enable economic growth, provide sanitary sewer service, and protect nearby river systems from untreated sewer runoff.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Thank you for your consideration of this request. Please let me know if I can be of further assistance.

Sincerely,

Michael Guest  
Member of Congress
