Dear Congressman Guest:

Subject: Bozeman-Reunion Interconnectivity System

The Madison County Business League and Foundation (MCBL&F) fully supports Madison County, Mississippi's request for funds for the Bozeman-Reunion Interconnectivity System.

As you know, population projections for Madison County estimate that 18,000 new citizens will call Madison County home over the next 10 years. From the municipalities of Ridgeland to Canton, industrial and commercial developments are adding to the already congested network of county roads and streets.

This project will also help move more drivers safely, which will result in fewer traffic accidents.

We respectfully request your support and assistance throughout this process.

Sincerely,

Jan Collins
