The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Brookhaven Police Station project in Fiscal Year 2027. The entity to receive funding for this project is the City of Brookhaven. This funding would enable the construction of a new police station for the City of Brookhaven, Mississippi, replacing an ageing facility that no longer meets the operational, safety, or technological needs of the department. This project would provide a modern law enforcement facility that includes administrative offices, secure evidence storage, compliant holding areas, dedicated training space, and upgraded communications and technology systems necessary for effective policing. This project is an appropriate use of taxpayer dollars because it invests in essential public safety infrastructure that directly benefits the community, improving cost efficiency and enhancing emergency response capabilities.

This project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Thank you for your consideration of this request. Please let me know if I can be of further assistance.

Sincerely,

Michael Guest
Member of Congress
