The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Jackson-Medgar Wiley Evers International Airport HVAC Phase II project in Fiscal Year 2027. The entity to receive funding for this project is the Jackson Municipal Airport Authority. This funding would enable the replacement of the HVAC and boiler systems at Mississippi's primary commercial service airport, ensuring safe, reliable, and continuous terminal operations for over one million annual passengers. This project represents an appropriate use of taxpayer funds because it reduces long-term operating expenses and preserves the functionality of a key regional transportation asset that supports commerce, tourism, and public mobility.

This project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(1), 5305(a)(2)m 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Thank you for your consideration of this request. Please let me know if I can be of further assistance.

Sincerely,

Michael Guest
