Chairman

U.S. House of Representatives

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Pike County Industrial Access and Rail Bridge project in Fiscal Year 2027. The entity to receive funding for this project is the Pike County Board of Supervisors. This project would provide funding to build a bridge on Mississippi Highway 51 over the Canadian National Railway (CN) railroad that accesses the MetroPike Industrial Park, allowing CN to use unit trains to service existing and future industry partners. This project is an appropriate use of taxpayer dollars because it invests in necessary bridge infrastructure that increases the flow of commerce while addressing related traffic and public safety concerns.

This project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(1), 5305(a)(2)m 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Thank you for your consideration of this request. Please let me know if I can be of further assistance.

Sincerely,

Michael Guest  
Member of Congress
