The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Walthall County Industrial Park Site Development project in Fiscal Year 2027. The entity to receive funding for this project is the Walthall County Board of Supervisors. This project would provide funding to develop approximately 135 acres of county-owned property along U.S. Highway 98 and near Highway 583 into a development-ready industrial site. Improvements include rough grading, storm drainage infrastructure, municipal water and sanitary sewer installation, and internal access roadway construction. This project is an appropriate use of taxpayer dollars because it invests in improvements that help attract employers, create jobs, expand the local tax base, and strengthen regional economic competitiveness.

This project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Thank you for your consideration of this request. Please let me know if I can be of further assistance.

Sincerely,

Michael Guest
Member of Congress
