The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

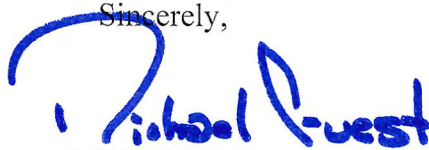

I am requesting funding for the Town of Sandersville for Water Infrastructure Improvements project in Fiscal Year 2026. The entity to receive funding for this project is the Town of Sandersville located at 110 East Main Street, P.O. Box 692, Sandersville, Mississippi, 39477. The funding would provide for better quality drinking water by drilling a new well and installing a pressure filter treatment system. This project is an appropriate use of taxpayer funds because it would allow the approximately 760 residents of Sandersville to have cleaner water without large amounts of sediment and would help meet Safe Water Drinking Act standards.

This project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Thank you for your consideration of this request. Please let me know if I can be of further assistance.

Sincerely,

Michael Guest
