Chairwoman  
Committee on Appropriations

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

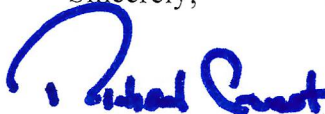

I am requesting funding for the Chiller Replacement project at Jackson-Medgar Wiley Evers Airport project. The entity to receive funding for this project is the Jackson Municipal Airport Authority (JMAA) located at 100 International Drive, Jackson, Mississippi, 39205. The funding would replace the outdated chiller system at the Jackson Medgar-Wiley Evers International Airport (JAN), which is the largest airport in the State of Mississippi and is continuing to experience growth. The project is a valuable use of taxpayer funds because the cooling system is an important life safety system for passengers, airlines, staff, and airport tenants, and the current platform has been determined to need replacing by the staff, leadership, and consultants of JMAA.

The project has a Federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Thank you for your consideration of this request. Please let me know if I can be of further assistance.

Sincerely,

Michael Guest  
Member of Congress
